

IS MY PFD/LIFE JACKET SAFETY COMPLIANT?

Under New Brunswick's *Occupational Health and Safety Act*, approved life jackets or PFDs must always be worn when working on a fishing vessel. If you answer **yes** to the following, your flotation device is compliant.

- ▶ Does it have retro-reflective tape fitted on the surfaces that normally remain above the water?
- ▶ Does it have a label indicating that it is approved by Transport Canada?
- ▶ Does it have a whistle?
- ▶ Is it red, orange, or yellow, or highly visible when deployed?

For legislation, see:

Federal – Small Vessel Regulations S. 3.2(1)
NB – General Regulation 91-191 S. 51(2)
